RENEWAL REQUIREMENTS

Six credits, completed during the term of the license (after issue date and before expiration date), are required to renew the Standard License. Complete this form and include official transcripts of credits earned.

Acceptable renewal credits include any combination of the following list, but have to be taken within the term of the license:

1. Credit(s) completed from a regionally accredited institution, which may not lead to a degree but which add greater depth/breadth to present endorsement held.
2. Credit(s) completed from a regionally accredited institution, which lead toward the completion of a planned master's, specialist's, or doctor's degree program in an endorsement area.
3. Credit(s) completed from a regionally accredited institution, which may not lead to a degree but which lead to completion of requirements for an endorsement not currently held.
4. Credit(s) completed through Iowa licensure renewal courses or activities approved through guidelines established by the Iowa Board of Educational Examiners; in other words, AEA licensure renewal courses.

NOTE: Four credits may be earned for achievement of the National Board for Professional Teaching Standards Certification. Please send a copy of the certificate to the Board of Educational Examiners.

2. Professional development units and staff development credits completed at a non-Iowa institution are not acceptable. Continuing education units (C.E.U.s) are not acceptable for renewal.
7. If a license is not renewed before the expiration date, the semester hours of credit presented for its renewal must have been completed within the five-year period immediately preceding the date of application for renewal.
